

REMARKS

The changes being made are simply editorial in nature and no question of new matter or questions of further search arise. In particular, Applicants are amending claim 12 to correct the typographical error of "wave-length" to "wave-front." Antecedent basis for this amendment can be found in claim 11, from which claim 12 depends. Claim 11 recites "an interferometric wave-front measurement."

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
